

...since
Taneda
went out
for a walk.

It's
been
five
days...

This has
never
happened
before,
but I
wasn't
really
worried.

I
wonder
why...?

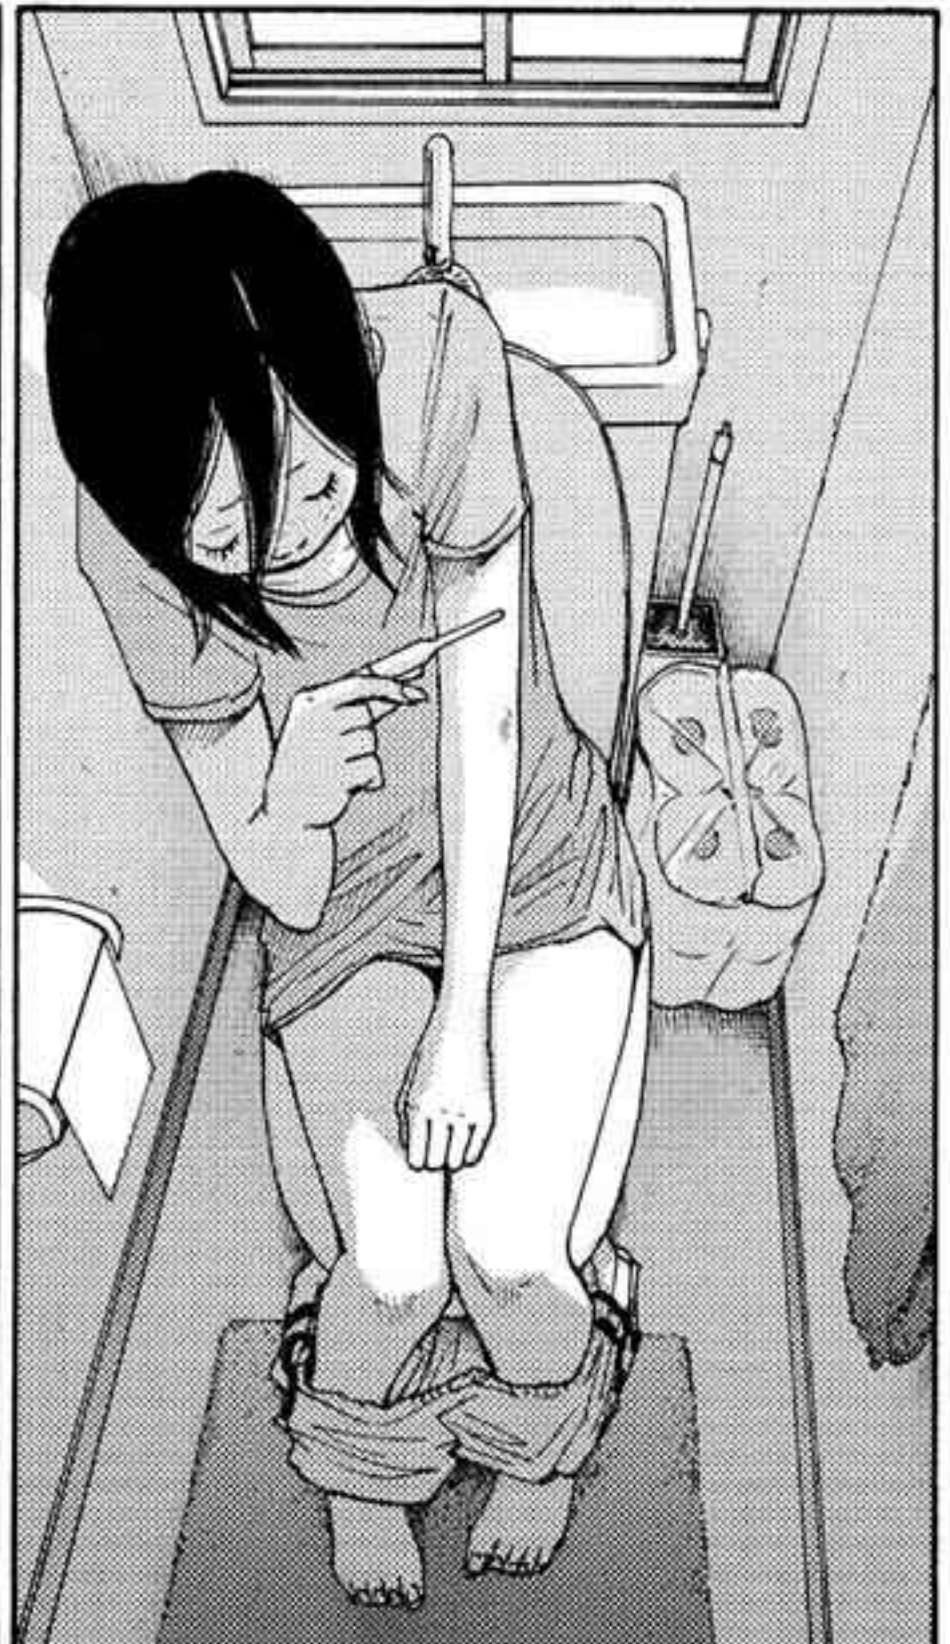

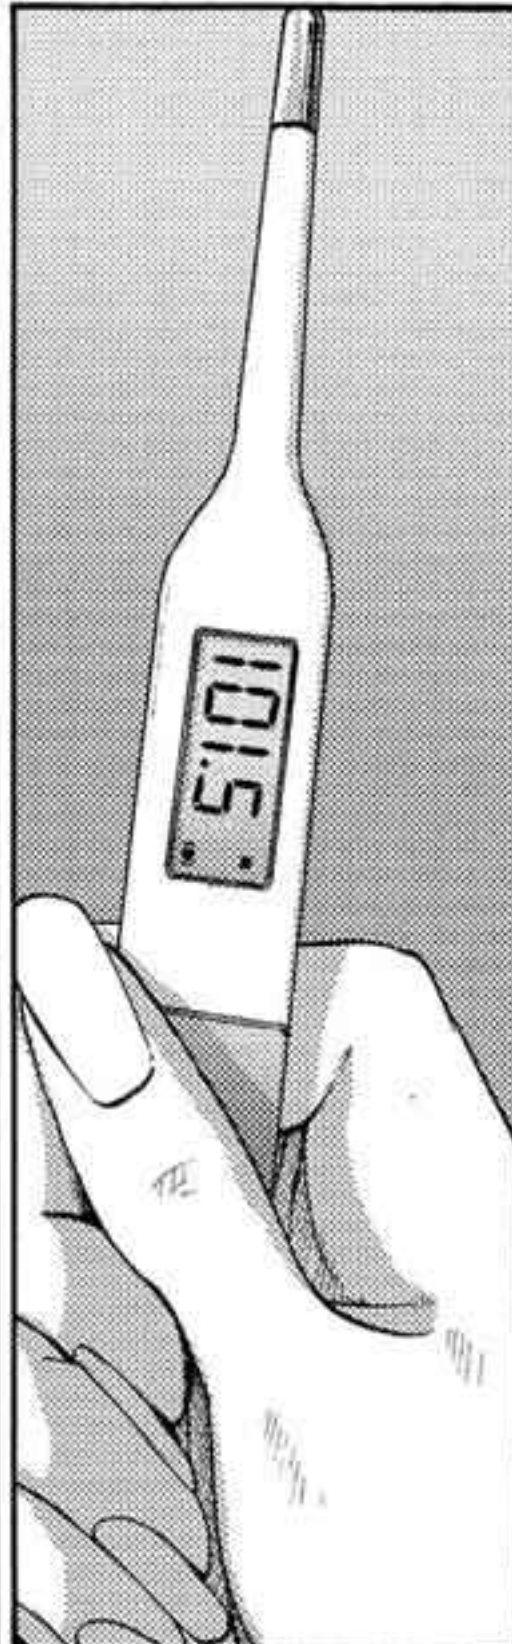

His cell
phone
broke
when he
fell in the
river, so I
can't call
him.

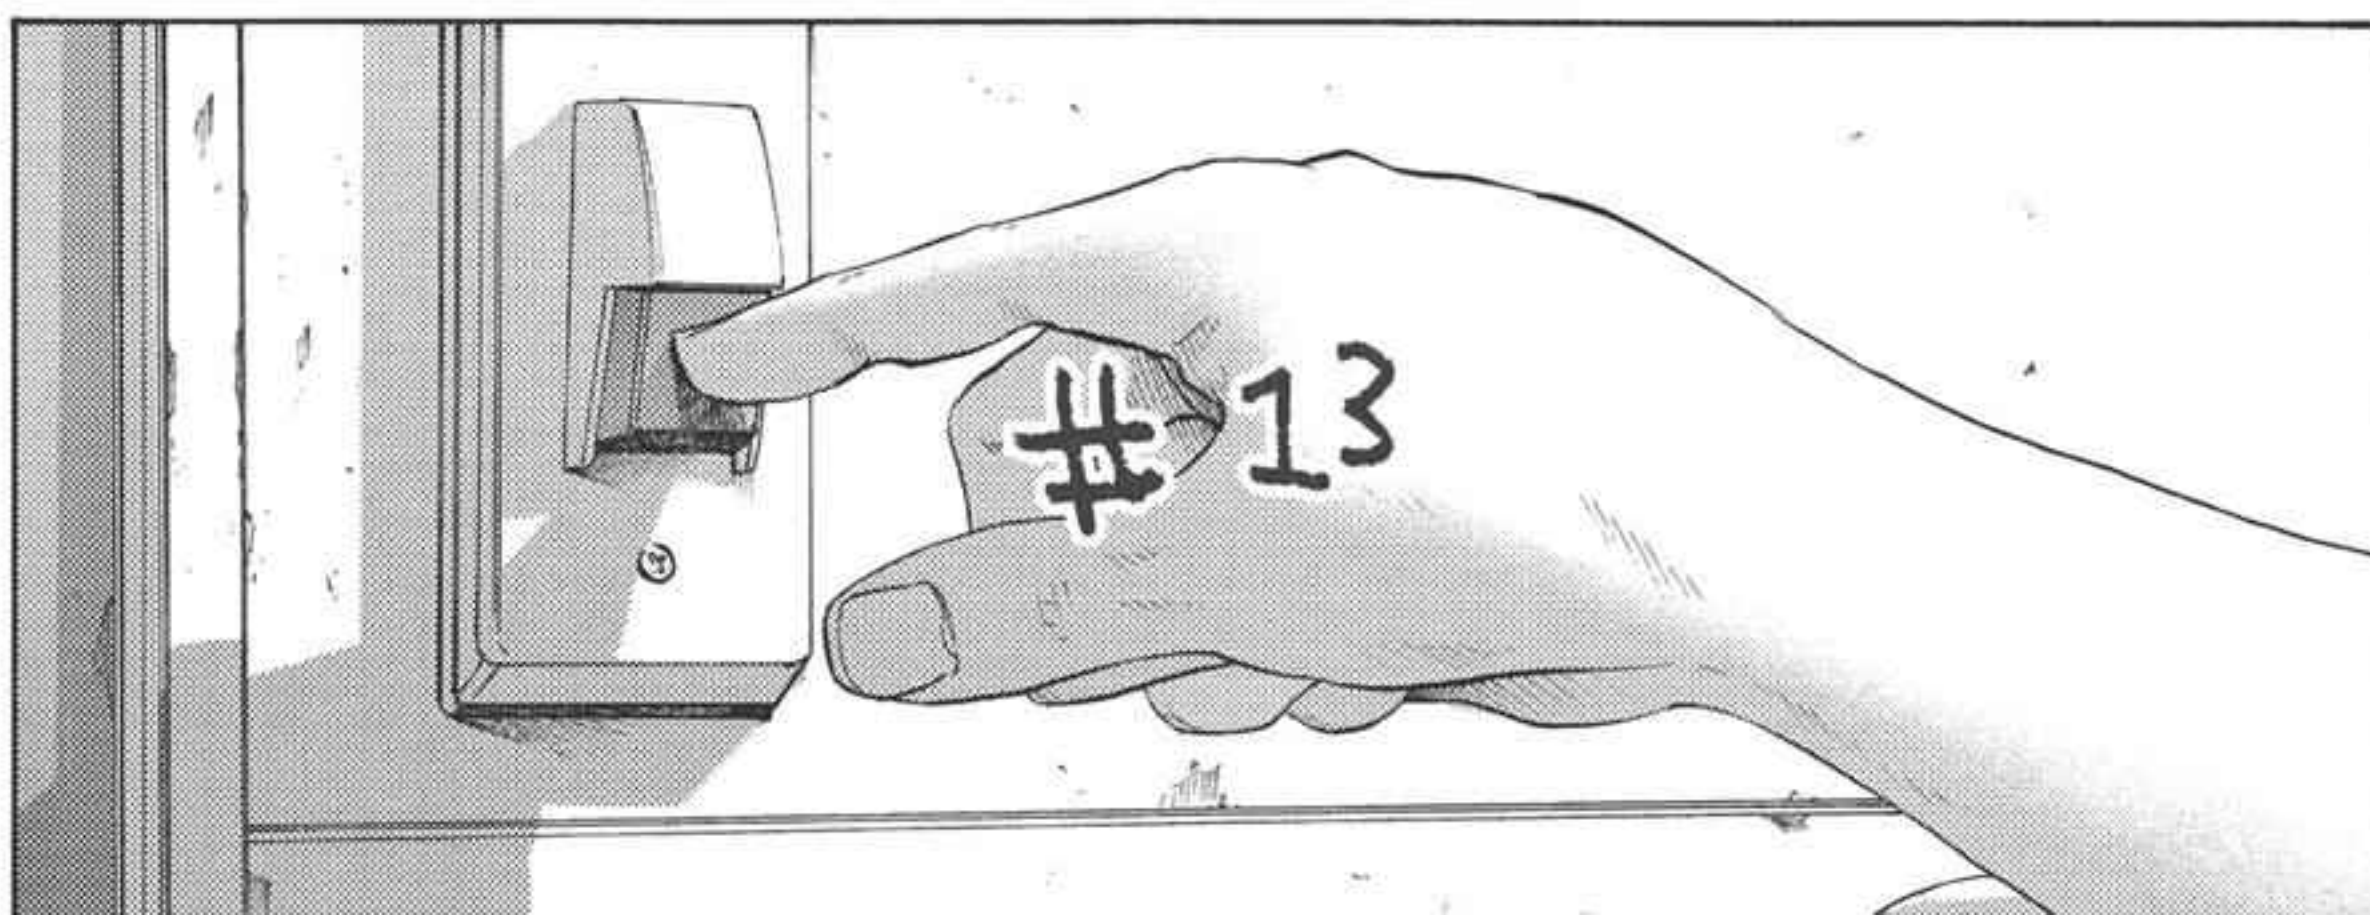

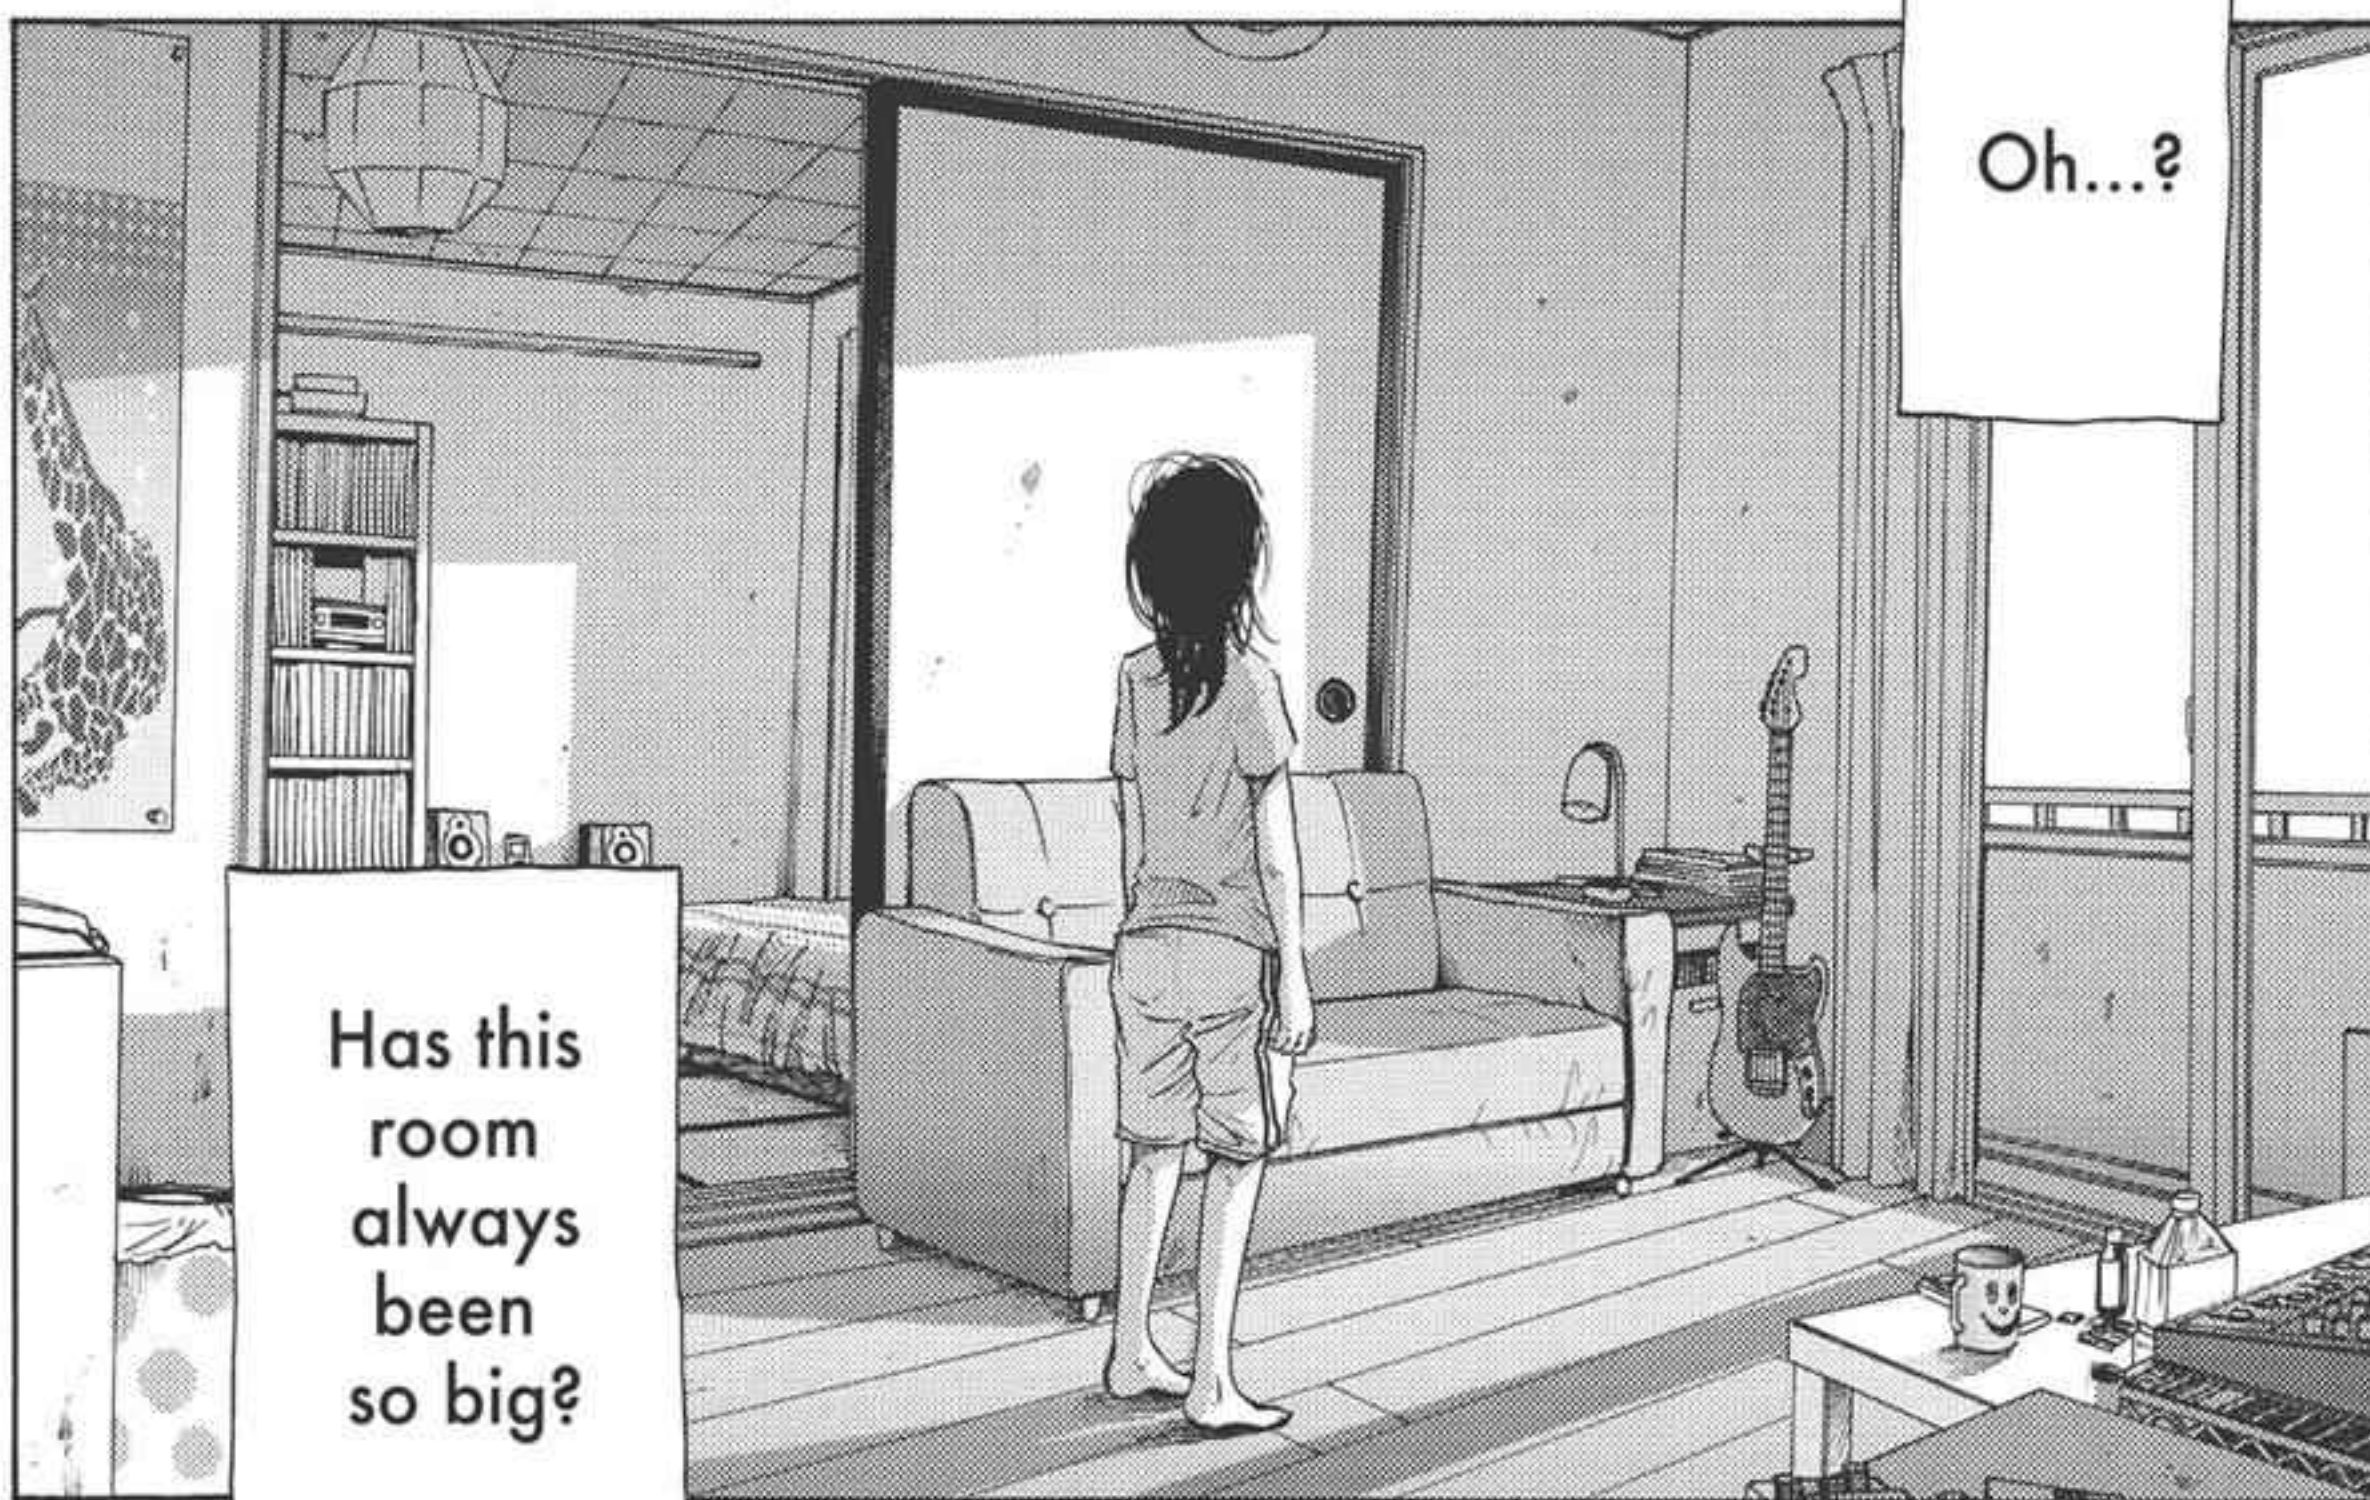

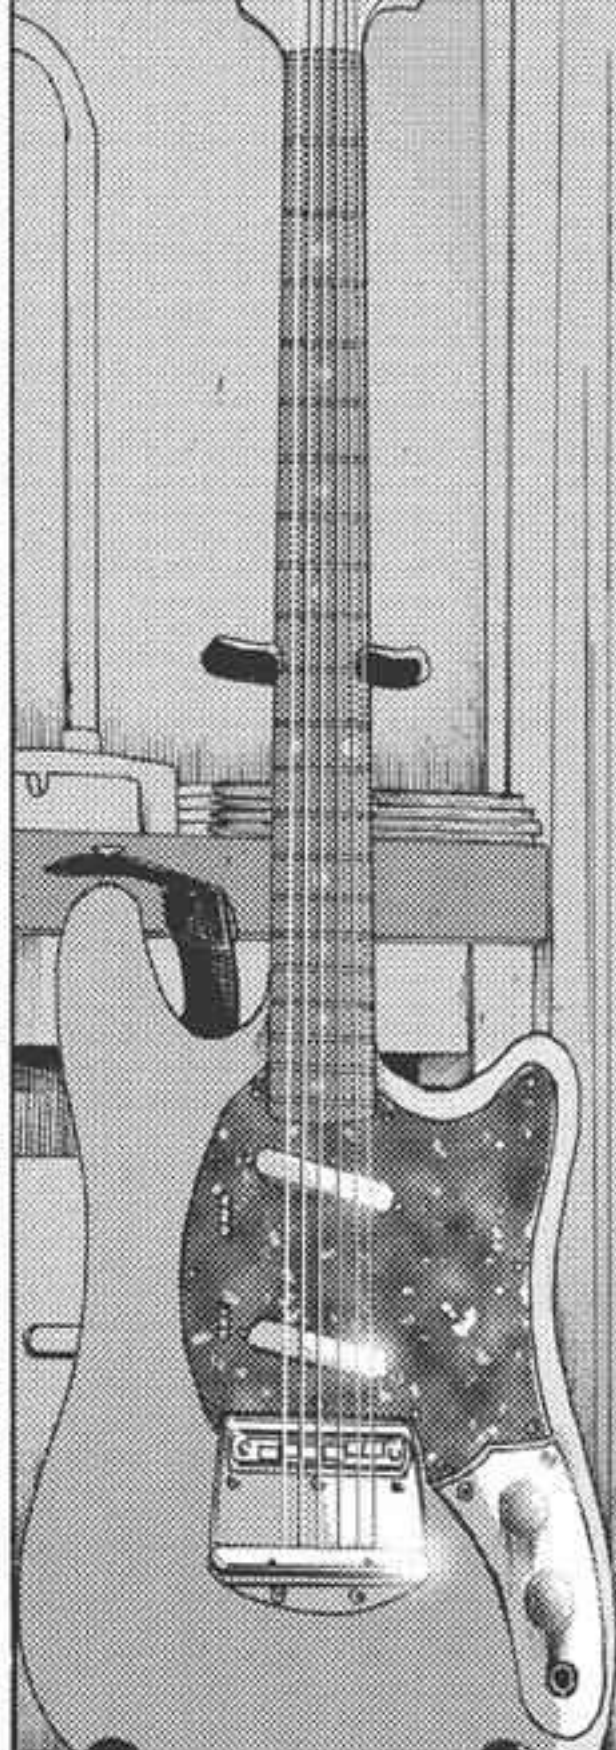

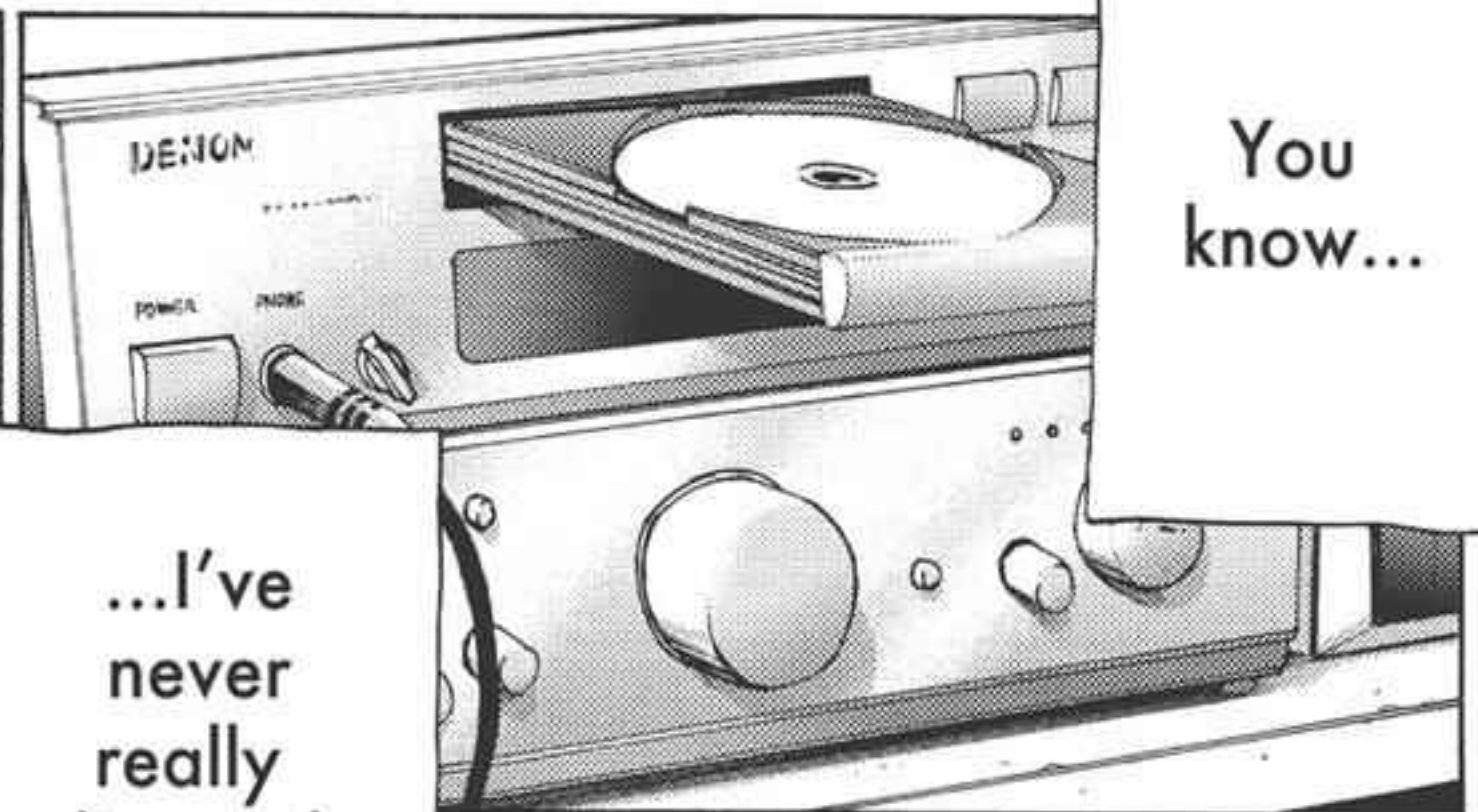

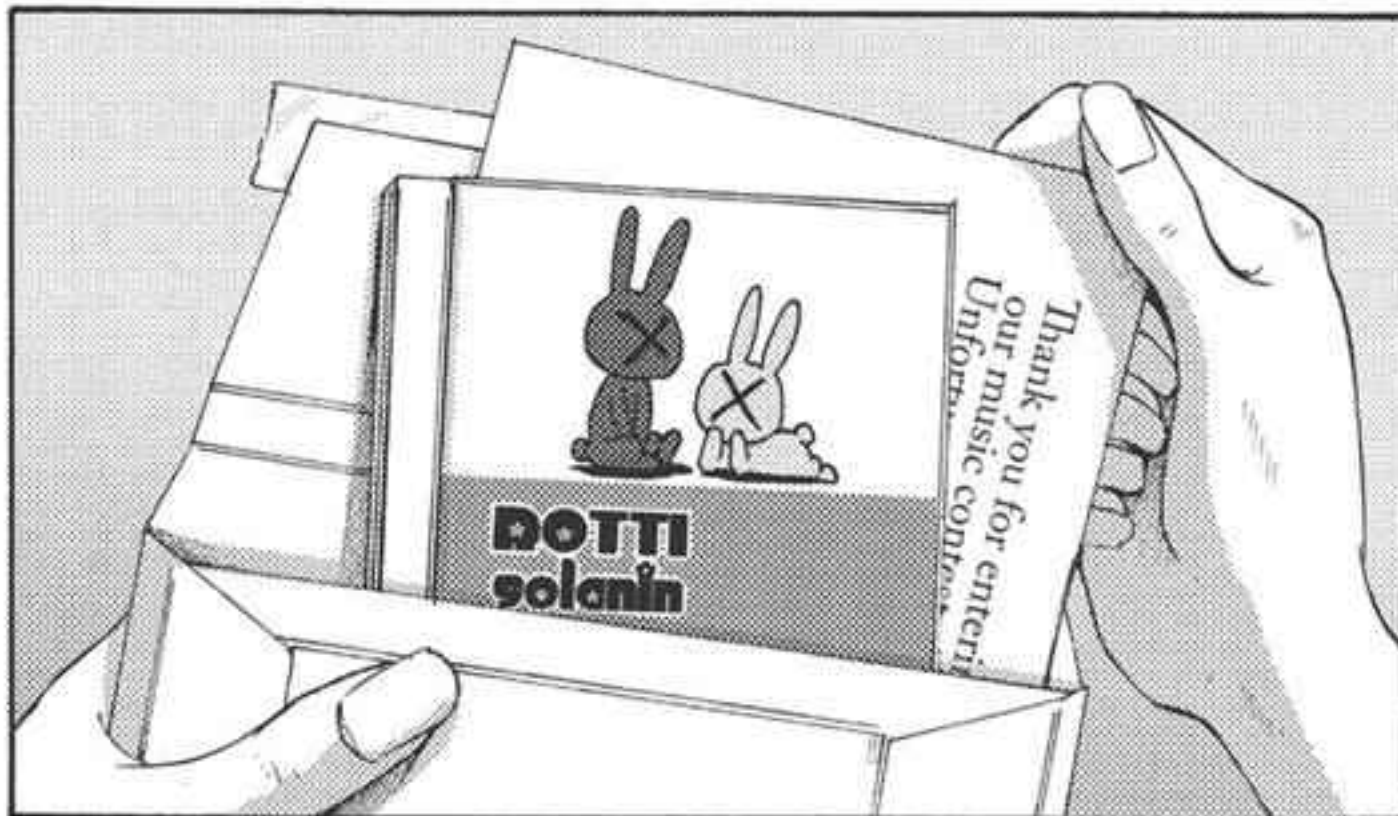

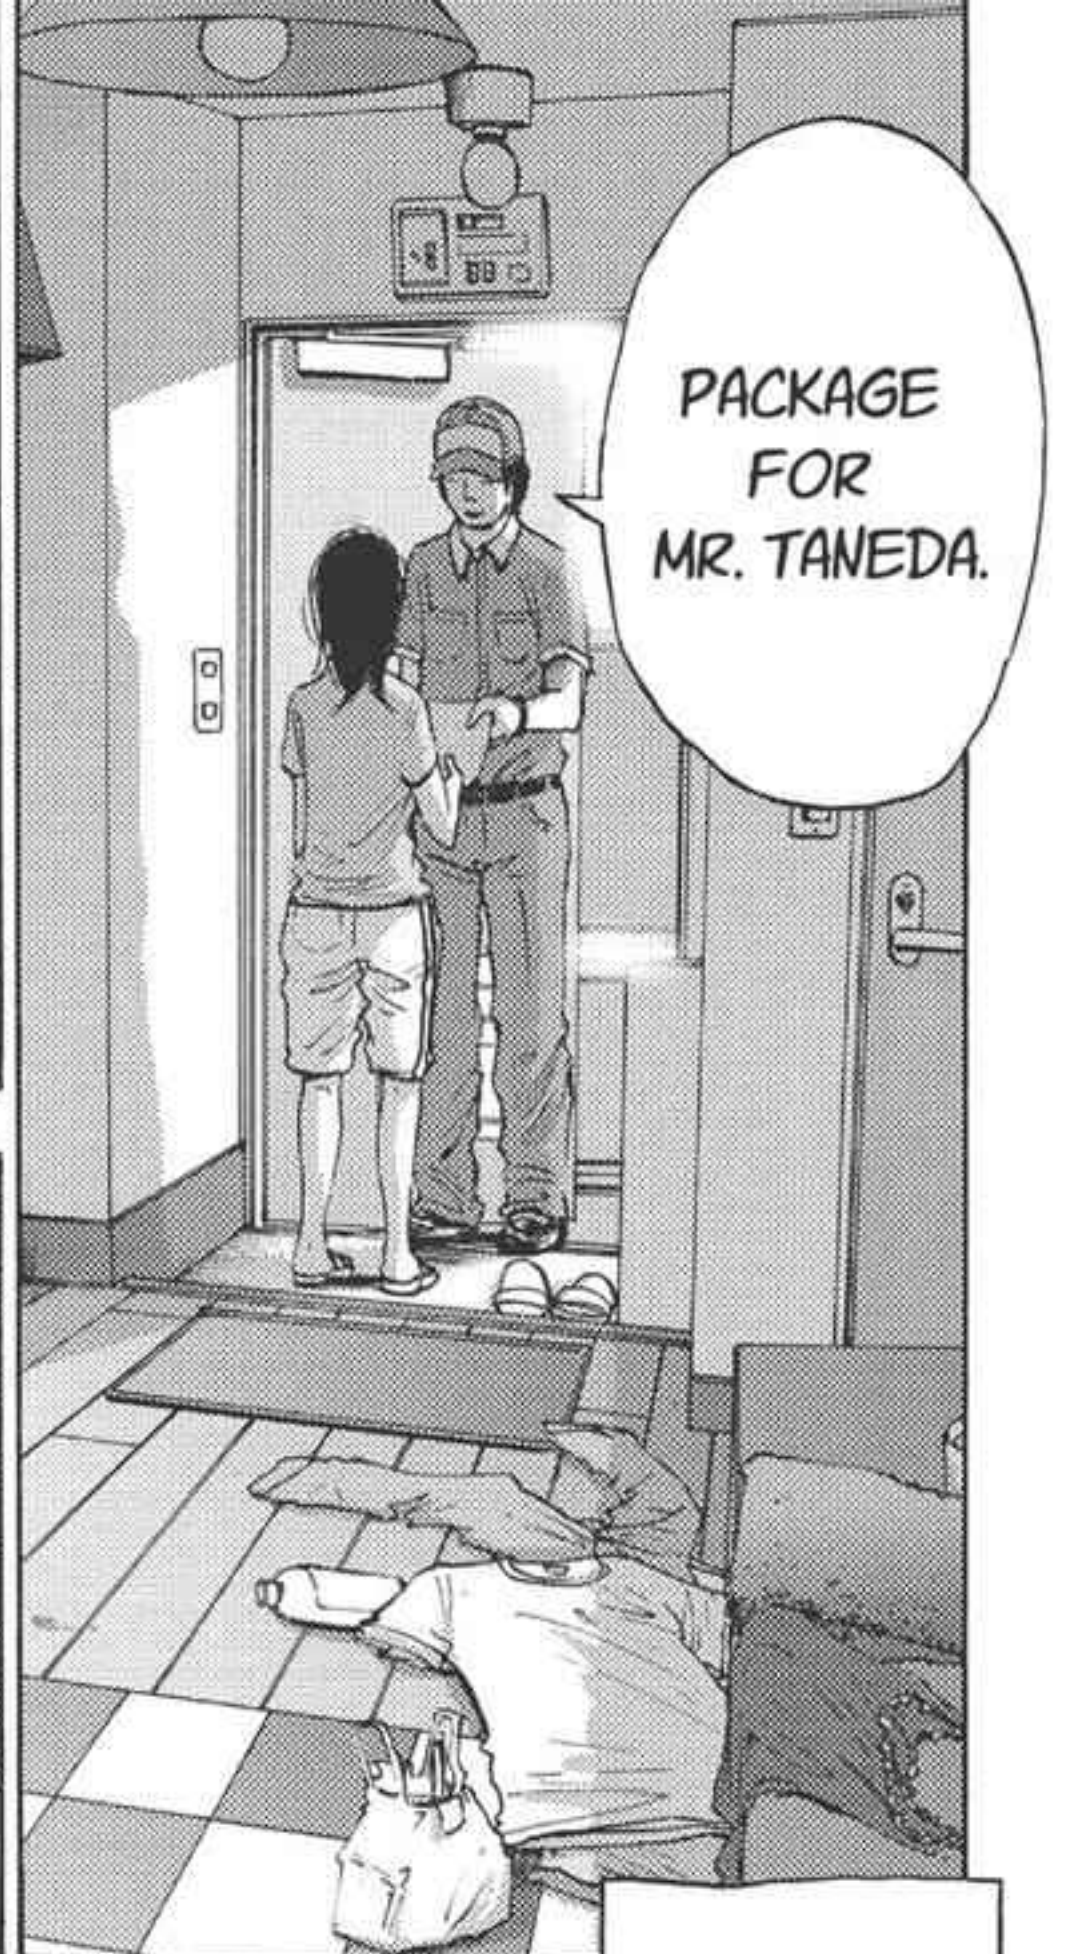

Then,
I caught
a cold.

While I
was sick,
I dreamed
that Taneda
was back,
acting the
same as
always...

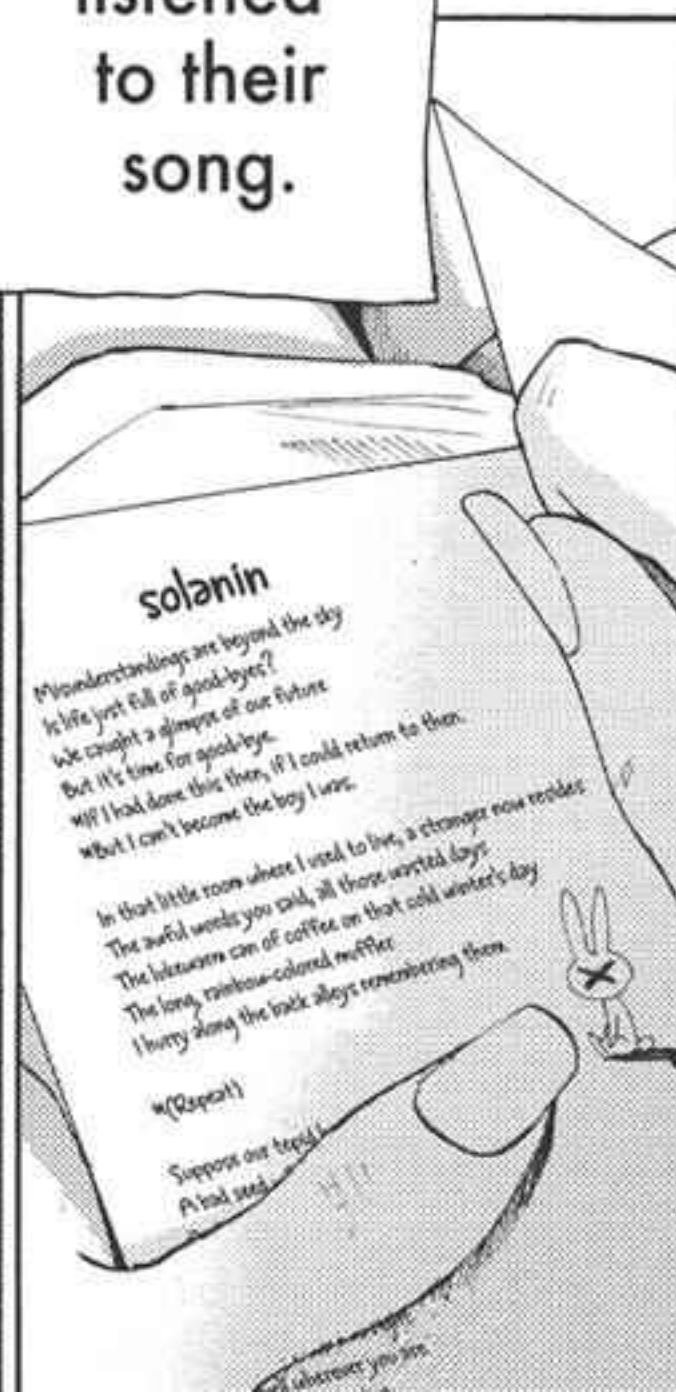

...and I
acted the
same as
always, not
realizing it
was a
dream.

...I've never really listened to their song.

solanin
Misunderstandings are beyond the day
Is life just full of good-byes?
We caught a glimpse of our future
But it's time for good-bye.
But I had done this then, if I could return to then
What I can't become the boy I was.
In that little room where I used to live, a stranger now resides.
The awful words you said, all those wasted days.
The lifetime can of coffee on that cold winter's day
The long, rainbow-colored ruffler
I hurry along the back alleys remembering them
*(Repeat)
Support our local
A bad seed

Misunderstandings are beyond the sky

Is life just full of good-byes?
We caught a glimpse of our future
But it's time for good-bye.

★ { If I had done this then, if I could return to then.
But I can't become the boy I was.

In that little room where I used to live, a stranger now resides
The awful words you said, all those wasted days
A lukewarm can of coffee on that cold winter's day
The long, rainbow-colored scarf like a trail of memories
Chase me down the alleys and I cannot get away

★ (Repeat)

Suppose our tepid happiness were to linger on
In the darkness of our hearts, an evil seed would sprout
And it's time for good-bye.

★ (Repeat)

Good-bye... It's all right
Be well wherever you are
I too will survive
It's all right, so good-bye.

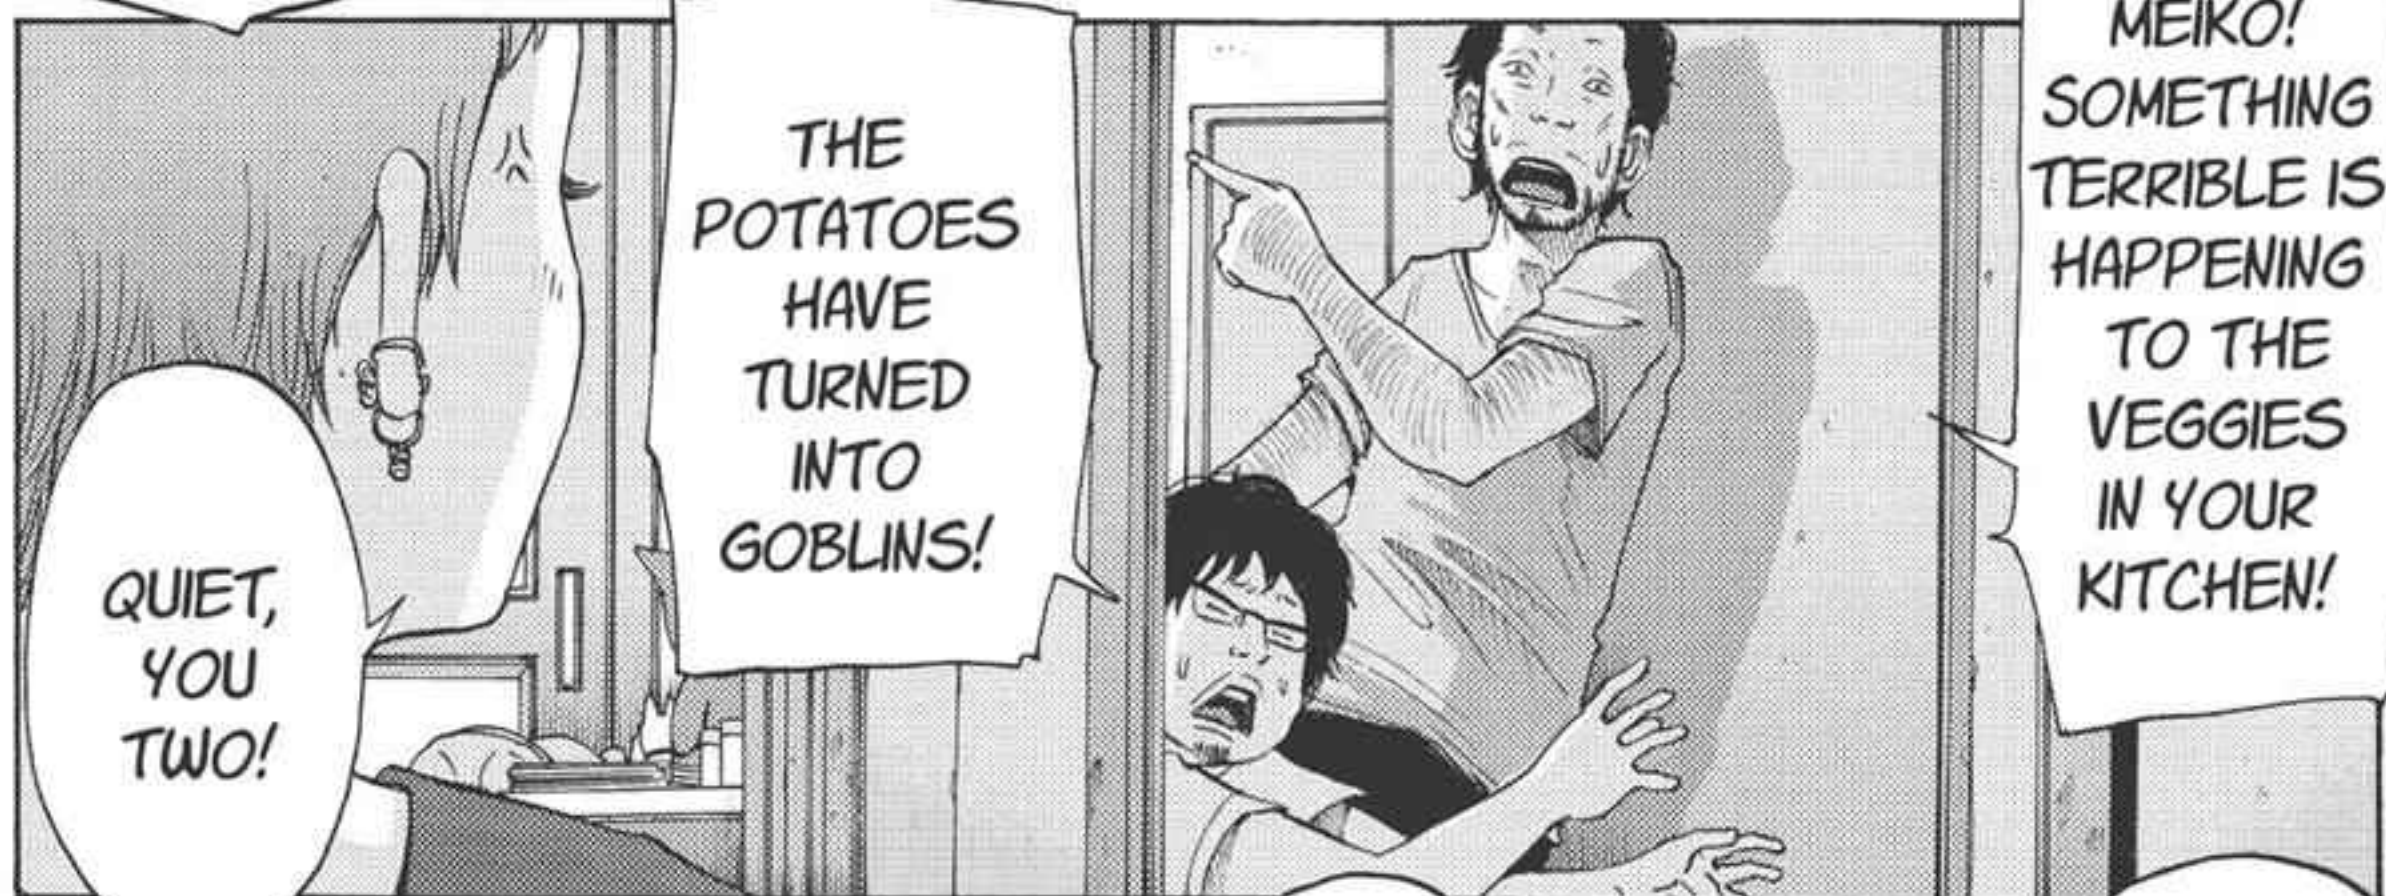

This is a
breakup
song,
isn't it?

Taneda...

AARGH...!

BOGAGAGA!

QUIET,
YOU
TWO!

THE
POTATOES
HAVE
TURNED
INTO
GOBLINS!

MEIKO!
SOMETHING
TERRIBLE IS
HAPPENING
TO THE
VEGGIES
IN YOUR
KITCHEN!

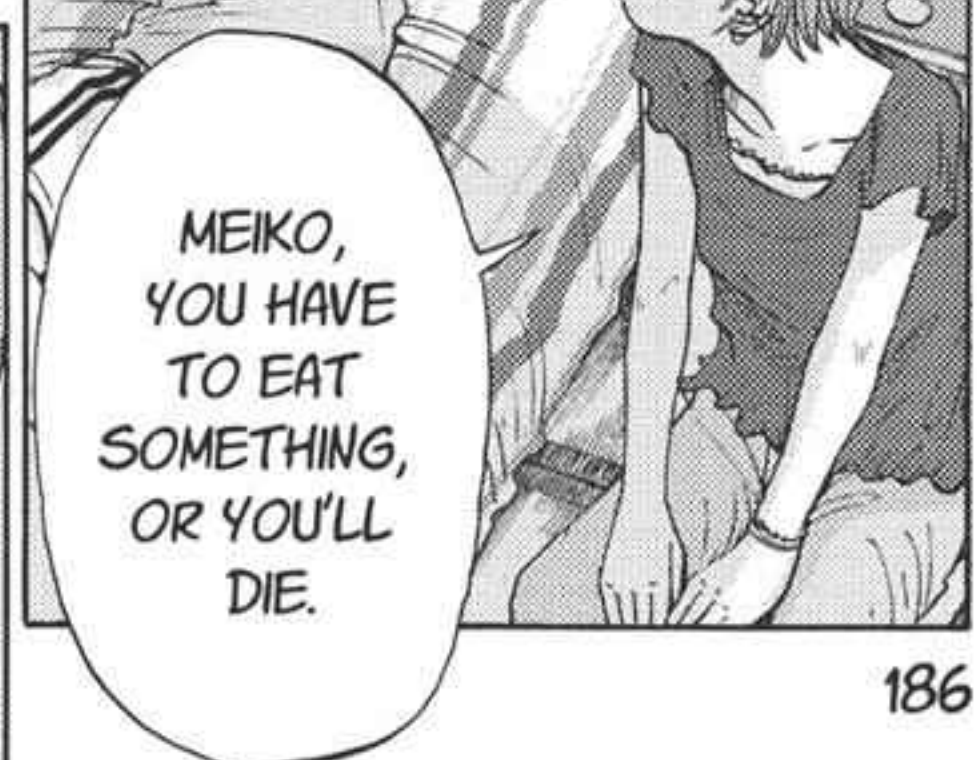

...HE WAS
PLANNING
TO LEAVE
ME.

MAYBE...

HOW
COULD
HE HAVE
DISAPPEARED
AT A
TIME LIKE
THIS...?

WHAT...?

MEIKO,
YOU HAVE
TO EAT
SOMETHING,
OR YOU'LL
DIE.

THESE
LAST FIVE
DAYS, I'VE
HAD THIS
STRANGE
SENSE OF
RELIEF.

NO
WAY...

...AND
LEAVE ALL
HIS STUFF?
ANYWAY,
HE DOESN'T
HAVE
ANYWHERE
ELSE TO
GO, RIGHT?

HOW
CAN YOU
BREAK UP
AFTER ALL
THIS TIME?

HOW
CAN YOU
SAY
THAT?

DOESN'T
THAT
MAKE
YOU
SAD?

THAT
MEANS
HE JUST
WALKED
OUT ON
YOU.

BUT...

All I've
done these
past few
months is
cause him
pain.

I
wouldn't
blame
him for
abandoning
me.

RIGHT
BEFORE I
STARTED
THINKING
ABOUT
QUITTING
MY JOB...

...but I
couldn't
trust
myself to
that future.

It
wasn't
bad.
It didn't
horrify
me...

I saw
what our
future would
be like.

...WAS
SO
SCARY.

EVERY
DAY...

And I
wanted to
make sure
that didn't
happen.

I knew
we'd both
leave things
unfinished.

I knew
we'd get
stuck in it.

...TO
CHANGE
THINGS FOR
THE GOOD,
BUT...

I
TRIED...

...a little
gap began
to grow
between
our hearts.

That
was
when...

...unable
to move
forward.

It was
like I was
running in
a dream...

...WHAT
TO DO
ANYMORE...

I
DIDN'T
KNOW...

If he ever
disappeared
from my life
—the very
thought...

...Taneda
was like
air to me.

In good
ways and
bad...

... I
wanted to
escape my
life with
Taneda so
that I could
find peace.

...somewhere
in my heart...

But
actually...

I wanted
to stay
with him
forever.

I was
supposed
to be so
in love
with him.

He was just the same as always.

Taneda appeared in my dreams again that night.

I'M GOING TO STAY WITH YOU TONIGHT.

MEIKO, YOU NEED TO GET SOME REST!

OKAY...

And again, I didn't know it was a dream...

RRRRR

OH, LISTEN...
