

I never
knew how
blinding a
spotlight
was.

I
couldn't
see the
audience's
faces at
all.

I
couldn't
see
anything,
and my
mind was
a blank.

This is
where
Taneda was
trying to
get something
across.

I
was
all
alone...

...KO!!

Today,
I played
the guitar
and I sang.

...and I
probably
played
like a
hot mess,
but...

My
voice
kept
cracking...

...but I
couldn't
hear any
other
sounds
at all.

Maybe
it was
because
of my
crashing
heartbeat...

I
know
I sang
it right.

...the
last song,
"solanin"...

...sometimes
enters
my mind...

That
thought...

...without
even a
job? What am
I doing
in Tokyo...

...but a day
like this
is nice
to have
...sometimes.

...I'll
go back
to my
usual
life.

Still...
when
this
song
ends...

...the
song
is
ending...

Ah...

The
song...

...is
over.
